La struttura di Karl è particolarmente robusta e molto rigorosa mentre braccioli, seduta e schienali si caratterizzano per forme morbide e accoglienti.
Una volta scelta la configurazione ottimale, non resta che personalizzare ogni componente attraverso la scelta di tessuti e colori.

The structure of the Karl sofa is extra-sturdy and spartan while the arms, seat and back feature soft, comfortable shapes. Once the optimal configuration has been selected, all that remains is to customise each component by choosing the fabric and colours.

La estructura de Karl es particularmente robusta y muy rigurosa mientras brazos, asientos y respaldos se caracterizan por formas suaves y acogedoras.
Una vez escogida la configuración óptima, no queda sino personalizar cada componente a través de la selección de tejidos y colores.

La structure de Karl est particulièrement robuste et très rigoureuse alors que les accoudoirs, l'assise et les dossiers se caractérisent par des formes moelleuses et accueillantes. Après avoir choisi la configuration optimale, il ne reste qu'à personnaliser chaque composant en choisissant les tissus et les coloris.
